

"Najlepszy Groove w Mieście"

podobnie zresztą jak i całe **JazzRadio** - jest już niestety 'no more'.

Mega wielkie CHaWuDe szefostwu Radia Kolor oraz Eurozetu za styl, a właściwie - kompletny brak jakiegokolwiek klasy, z jaką tę operację przeprowadzono. A można przecież było zrobić swoje, nie okazując się przy tym ostatnim dupkiem...

A tymczasem - miejsce JazzRadia zajmie lada moment Chilli Zetka. Czas pokaże, czym to się skończy, ale mam przecucie, że już choćby tylko sama ta kretyńska nazwa wskazuje, że będzie to kolejne radio jak z kozyrzej dupy trąba. Czyli - podobnie jak miało to swego czasu miejsce w przypadku Radiostacji, wielki komercyjny sukces wśród eh... wymagających inaczej. I podobnie inteligentnych zresztą. No cóż, takie czasy...

W każdym razie - ogromne dzięki dla wszystkich, którzy słuchali, i do ewentualnego usłyszenia/zobaczenia w jakimś innym czasie i miejscu.
